How do I change my college choice?

Make sure your **My Profile** page indicates your final college choice. It is your responsibility to make sure your **My Profile** page is correct at least 30 days prior to the check issue date listed above. If your scholarship check needs to be reissued for any reason, a reissue fee may apply.

Application Details

Which school should I list on the application if I have not made a final decision?

You should list your first-choice school on the application. You can change your college choice any time prior to the application deadline. If selected as a recipient, you will be asked to confirm your final school choice. If your school changes after the acceptance deadline, you will be able to update this information on your **My Profile** page.

What are the differences between Official and Unofficial Transcripts?

Official transcripts must be obtained through your high school administration office, or your college registrar office. Transcripts are normally printed on official letterhead and/or state that they are official. Transcripts may contain or require a signature.

*Note: Your official transcript may come to you in a sealed envelope, stating it will become unofficial if opened. When scanning or copying your official transcripts, a watermark may appear noting that they are now unofficial. **Despite any watermarks or sealed envelopes, you may open the envelope if needed to upload the document. These documents will be considered official for our purposes.** Acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. When scanning or copying, you do not need to include a copy of the sealed envelope.*

Unofficial transcripts may be accessed through your school's online student portal. These pages must still be converted to one of the acceptable file formats. **Unofficial transcripts must contain your name.**

Should I submit all of my information before I request my letters of recommendation?

No. You should request a recommendation as early as possible to ensure there is sufficient time for the recommendation to be submitted by the deadline of **December 20, 2021**.

Documents that meet the criteria required for the scholarship application, and are uploaded by the deadline, will be processed and considered on time. Please contact the Hispanic League if you need assistance uploading your supporting documents (336-701-6257).

Notifications

How will I be notified about the status of my application?

Notifications are sent primarily via email to the email you used to create your account. Some programs offer text and voice notifications. **Ultimately, it is your responsibility as the applicant to verify your application status on your Home page is Complete.**

What notifications will be sent to me?

- **Deadline Reminders:** Deadline reminder emails are typically sent two (2) weeks and one (1) week prior to the application deadline.
- **Recommendation Deadline Reminder:** You may receive a notification after the application deadline but prior to the recommendation deadline if your recommendation is still incomplete.
- **Selection Results:** Selection results notifications are sent to all **Complete** applicants. This includes semi-finalist and finalist notifications.
- **Funds Disbursed:** Once your funds have been issued, you will be notified.
- **Other Scholarships:** Occasionally, if you meet the requirements for another scholarship administered by ISTS, you will be notified. These notifications are not guaranteed.

Your information is never sold to any third party for marketing purposes.

Who will notifications be sent from?

You will receive notifications from two (2) possible ISTS email addresses: donotreply@applyISTS.com and ContactUs@applyISTS.com. You should add both of these email addresses to your “safe senders list” to ensure important emails are not sent to your spam or junk folder.

When will I receive notifications?

Notifications vary by program based on the Program timeline. Refer to the Program timeline listed above for more specific information. Typically, deadline reminders are sent two (2) and one (1) week prior to the application deadline.

Can I opt out of notifications?

While you can opt out of notifications, this is not advised. It is your responsibility as the applicant to ensure your application is **Complete**. If you opt out of notifications, you will not receive deadline reminders or selection results. **Your information is never sold to any third party.** The only emails you will receive from ISTS are directly related to your application and, *possibly*, other scholarship opportunities.

Document Upload

What should be visible on my documents?

All uploaded documents **must** show your name. If you are using an online portal to access your required documentation and all that is visible is the salutation and your first name (Example: Welcome Joe!), this will meet the name requirement.

What are the acceptable file types?

The only acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Any other formats will not be reviewed, and your application will remain incomplete. You may upload multiple files within a .zip file. All files within a .zip file must be in one of the acceptable file types listed above.

Why can't I upload a Word document?

ISTS does not accept any file format that is editable.

One of the documents I uploaded has a status of Rejected. What do I do now?

Review the reason your document was rejected. Once you have corrected that issue, upload a new copy of your document.

How do I upload more than one file at a time?

You may create a .zip file containing more than one file as long as everything included is in an acceptable file type of **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Do not upload additional documentation that is not requested. It will not be reviewed.

How do I create a .zip file?

To use this format, follow the steps outlined below:

1. Create a new folder on your Desktop, name it the document type you will be uploading. For example, Test Scores, Transcript, or Financial Documentation.
2. Move all the files you wish to upload into the new folder.
3. Right click on the folder from your Desktop:
 - a. PC Users: select "Send to," followed by "Compressed (zipped) folder."
 - b. Mac Users: select "Compress [folder name]."
4. Your new **.zip** file will be located on your Desktop, ready to upload.

How long does it take to process my uploaded documents?

Documents are processed daily. Your document will be processed within five (5) to seven (7) business days. If your document was uploaded prior to the deadline, it will be considered. However, it is your responsibility to monitor your **Home page** to ensure your document is **Accepted**.

The deadline has passed and my documents are still Processing, what does that mean?

All documents must be reviewed for the required information and for accuracy. All documents uploaded prior to the application deadline will be reviewed and considered. It is your responsibility to monitor your **Home page** to ensure your document is **Accepted** and that your application status reads **Complete**.

What are the DOs and DON'Ts of uploading documents to my application?

DO:

- Upload one of the accepted file types.
- Only upload the requested and required documents.
- Black out any Social Security Numbers. *This is not required, but highly advised.*
- Return to your **Home page** to verify your documents have been **Accepted**.
